A Welcome from our President

Many thanks for your interest in a career at University College Cork, and in joining a dynamic group of talented people working to secure the future of our people and our planet.

UCC is one of Ireland's oldest institutions of higher education, and our historic campus is in the heart of Cork city, a vibrant economic hub located in one of Ireland's most scenic regions, with a rich cultural heritage. Ranked in the top 250 universities in the world in the QS Rankings, UCC has a far-reaching impact that extends well beyond its campus. In 2010, UCC was the first third level education institution in the world to receive the Green Campus award, and today we proudly fly our Green Flag over our Main Quadrangle following continued successful renewals. UCC has held a top ten place in the UI GreenMetric World University Rankings since 2010 and is now ranked 4th in the world for sustainability.

UCC is a comprehensive university providing a broad research-based Connected Curriculum from archaeology to zoology across its undergraduate and postgraduate programmes. UCC is the top Irish Higher Education Institution for graduate employability, and our more than 220,000 alumni excel in every walk of life across the globe. Our true strength lies in the people who work and study here, and UCC's student body of more than 26,000 includes over 5,000 international students from more than 120 countries across all continents. Of the more than 3,500 professionals employed at UCC, over one third of academic staff have come from overseas.

UCC is a place of inclusion, and the diversity of our staff and students is key to realising our vision to connect and empower people to create knowledge that shapes a sustainable and inclusive world. UCC holds a silver Athena SWAN award, and 17 of our Schools, Departments and Centres hold department level awards.

With a strong focus on research and innovation, UCC is the leading Irish university for industry collaboration and for securing investment in Research and Innovation. The UCC Futures framework organises our research into thematic areas of excellence supporting the provision of impactful solutions to some of the most important global challenges of our time. UCC is home to several world class Research Centres including Tyndall National Institute, APC Microbiome Ireland and the UCC Sustainability Institute.

As we build on our 180-year history of university, committed to attracting and developing talented minds to secure our future.

This briefing pack contains information which I hope will be useful and informative should you be selected to attend for interview here in Cork. I trust that your experience of our recruitment process will be a positive one and I thank you, again, for considering a career at University College Cork.

Best wishes,

Professor John O'Halloran
-President

UCC, A Place of Values

BELIEVE

At UCC our mission is to meet the challenges of our time, together. When you work at University College Cork, you are joining a group of diverse thinkers and innovators committed to a sustainable future for our University, our society and our world. We rely on the collective power of our people working to create and innovate towards a common purpose.

As a leading research university, our ambition is to cultivate a distinctive research reputation in signature areas of excellence. As a community of learning, our connected curriculum underpins a relevant, dynamic and inclusive learning experience for our students. As the world's first Green Flag university, we are proud of our leadership in sustainability and we continue to radically reform our practices and use of space and technology to meet our ambitious sustainability and climate action goals.

BELONG

We are committed to providing a diverse, inclusive and equitable working environment where everyone's contribution is valued and everyone has the potential to shape change and make a difference. We value the unique background, experience, and contribution that each staff member brings to our community and are looking for people who will make a difference. If you believe in our vision and mission and would like to belong to community of people who are working together to make an impact, we would love to hear from you.

BECOME

When you become a member of UCC's community you will be eligible for a wide range of staff benefits and rewards including the following:

- High-quality professional and leadership development opportunities, including UCC-delivered postgraduate qualifications in Learning and Teaching, as well as Professional Practice and Leadership in Higher Education.
- Staff fee concessions for undergraduate and postgraduate programmes.
- Outstanding sports facilities with subsidised membership for university staff and an active sports and social club and special interest groups.
- Access to comprehensive wellbeing supports.
- Opportunities to engage with staff within the University community through vibrant on-campus cultural events, networks and seminars.
- A University level awards scheme to recognise outstanding achievements

“ Like a flock of starlings, human systems are connected, complex and adaptive, with an extraordinary ability to synchronise with each other. Leadership, in the context of a starling murmuration, is inclusive, distributed, and wholly reliant on effective and multi-directional communication ”

**Professor John O'Halloran
–President**

About University College Cork

University College Cork (UCC) is an internationally renowned university where excellence in teaching and research is aligned with an inclusive and respectful environment, where all staff and students can flourish and thrive. Founded in 1845, UCC is a comprehensive research-intensive institution comprising four academic Colleges, delivering a rich tradition of collaborative teaching, research and scholarship that has true global impact.

INFANT RESEARCH CENTRE

The INFANT Research Centre, established in 2013 and hosted by University College Cork (UCC), is dedicated to advancing maternal and child health research. INFANT's overarching vision is to advance translational research in maternal and child health and to position Ireland at the forefront of this field.

The Centre delivers scientific excellence and impact across academic, translational and commercial activities, bringing together a diverse team of clinicians and scientists supported by selected industry partners, international collaborators, and business and regulatory advisors.

INFANT is funded through a range of national and international funding agencies, EU programmes, industry partnerships and philanthropy, and has a well-established Clinical Trials Platform underpinned by an ISO 9001:2015 accredited Quality Management System.

INFANT plays a central role in UCC Futures – Children, one of ten thematic areas within UCC Futures, UCC's ambitious programme of research prioritisation in areas of strategic importance. UCC Futures – Children builds on INFANT's established strengths in child health, development and translational research, while fostering wider interdisciplinary collaboration across disciplines, schools and colleges. The theme is dedicated to advancing research with and for children, supporting the fulfilment of their rights, and improving outcomes across health, education, justice and social policy.

UCC Research

University College Cork (UCC) is a research intensive, student-centric, and future-focused university. It is home to the highest number of the top 1% of the world's most influential researchers among any Irish university and is a national leader in research income generation. Here at UCC we are creating an interdisciplinary environment of research and innovation excellence that inspires, engages, and enables our researchers to deliver holistic, translatable solutions to emerging societal needs and global grand challenges.

Enabling the development of novel interdisciplinary research is a core objective of our Strategic Plan 2023 - 2028 - Securing our Future. In line with our research vision, UCC Futures is an ambitious new programme of research prioritisation, coupled with an innovative academic recruitment strategy, spanning 10 strategically important indicative areas (Future Humanities Institute incorporating the Radical Humanities Laboratory; Children including the INFANT Centre; Future Medicines; Future Pharmaceuticals; Collective Social Futures; Future Ageing & Brain Science; Food Microbiome & Health; the Sustainability Institute; AI & Data Analytics; Quantum & Photonics; the later four building on the strengths of our world-renowned SFI Centres -APC Microbiome Ireland, MaREI, INSIGHT and IPIC respectively). These will foster collaboration across disciplines, schools and Colleges and our flagship Tyndall National Institute, while continuing our deep partnerships with Teagasc, the Health Service Executive and regional food, technology and pharmaceutical industries

At UCC, talented researchers, innovators, and entrepreneurs mine the frontiers of curiosity and inquiry at the very intersection of disciplines, securing our future through research excellence. UCC Futures provides the framework that encourages novel strategic partnership and supports those partners to think differently. This holistic approach integrates disciplines across learning and teaching, research, knowledge exchange and commercialisation. It results in the generation of robust, implementable, and translational solutions of impact and value for society and the planet, the need for which has never been greater. Translating excellent research to tangible impacts is supported by UCC's development of an innovation culture and entrepreneurial campus that provides students, graduates, and staff with the ecosystem, supports and expertise to create successful new ventures that develop products and services of benefit to society. We are committed to supporting the delivery of equitable and sustainable research within the context of engaged and open practice across the entire UCC research and innovation ecosystem.

For close to 180 years UCC has been a magnet for researchers to come to Cork to seek innovative interdisciplinary synergies that inspires, engages, and enables a better future for all. UCC welcomes researchers who think radically, are inclusive and connect diversity of thought for maximum, sustainable, economic, societal, and cultural resilience, and prosperity.

Role Description

This title will apply to a person of appropriate qualifications e.g., BSc, MSc or PhD employed on a contract for the purpose of supporting a research project, programme, centre or institute. A Research Support Officer will work under the direction of one or more Principal Investigator (s)/ Senior Researcher(s) within a dedicated laboratory on one or more research projects.

The main duties will be:

ADMINISTRATION

- To support the Director or Head of the Research area to achieve the agreed strategic and administrative goals of the research area.
- To provide an effective administrative framework to support the ongoing development of the research project/area.
- To advise the Director/Head of the Research area of appropriate administrative structures and procedures to give effect to agreed and approved policies.
- To be responsible for the development and implementation of positive and appropriate administrative work practices at the INFANT Research Centre.
- To implement agreed policy and procedures including administration, personnel, and resources for the overall development of the research project/area.
- To manage the secretarial/administrative functions as required.
- To allocate, delegate and supervise work of the administrative staff, as is appropriate, ensuring its effective operation.

RESEARCH

- To support activities of the research projects as required, such as assisting in workshops, producing written outputs, in conjunction with the Director/Head of the Research area.

POLICY ADVICE AND DISSEMINATION

- To disseminate research results through web pages, media conferences etc.

FINANCE

- To administer financial and budgetary functions, including purchasing and cost controls in consumables, equipment, and part-time pay, in conjunction with the Director/Head of the Research area.
- To propose strategic or operational priorities and to advise on achieving the effective and value-for-money allocation of budgets and resources.
- To ensure proper use of resources, compliance and integrity of systems in accordance with university policies, procedures and standards and in agreement with the Director/Head of the Research area.

PROMOTION/DEVELOPMENT

- To assist the Director/Head of the Research area with logistical planning of human, physical and financial requirements for the research project.
- To identify opportunities for external relationships and collaboration.
- To contribute to the development of the strong external links to business and industry.
- To contribute to the promotion and marketing of the research area.
- To produce, when required, appropriate promotional and marketing literature.

PERSONNEL

- To assist with the preparation of recruitment advertisements and job particulars for posts within the research area
- To assist with managing the administrative workloads to support the research project/area.
- To liaise with HR as required on research staff personal details and/or terms and conditions of employments for research staff contracts. Including Garda Vetting and staff training records.,
- To support the Health and Safety functions within the INFANT Centre.

The list of duties detailed above is not intended to be exclusive or restrictive and may be adjusted dependent on the area of research.

Additional Duties for Managers/ Heads:

In accordance with UCC Safety Policy it is the duty of responsible persons (Heads of Unit / Executive Managers) to ensure, so far as is reasonably practicable, that the management of safety, health and welfare is successfully integrated into all activities undertaken within their area of responsibility.

Responsible Persons are responsible and accountable for (non-exhaustive list - All delegated responsibilities are clearly set out under UCC safety policies and local safety statements):

- Proactively managing and conducting occupational health and safety in all areas and activities under their control
- Achieving compliance with university safety policy and the extensive SHWW regulations that govern their work and that of the University employees under their control
- Ensuring, subject to the “so far as is reasonably practical” test defined in the SHWW Act (current edition), the safety health and welfare of the University employees at work at their various places of work on and off the University campus
- Developing the local safety statement, as applicable, based on the identification of hazards and the assessment of risks, and reviewing/updating same on a regular basis (at least annually) and in the event of any significant change in the work activity or place of work
- Ensuring that Occupational Safety and Health (OSH) is integrated into day-to-day business, providing Systems Of Work (SOW) that are planned, organised, performed, maintained, and revised as appropriate, and ensuring that all safety related records are maintained and available for inspection
- Consulting and communicating with staff and safety representatives on OSH matters • Ensuring a training needs assessment (TNA) is undertaken for employees, facilitating their attendance at statutory OSH training, and ensuring records are maintained for each employee • Ensuring that all incidents occurring within the relevant department/service are appropriately managed and investigated in accordance with UCC procedures
- Seeking advice from health and safety professionals where necessary
- Monitoring and reviewing local health and safety performance
- Providing adequate financial and other resources for the above, so far as is reasonably practicable

Note: As the university continues to expand and evolve, it is likely that flexibility in regard to the allocation of specific duties will be necessary. Accordingly, the list of duties specified above is not intended to be exclusive or restrictive; duties may be added or withdrawn but any such alteration will take place after consultation with the appointee.

Selection Criteria

The successful candidate will be expected to have:

Essential Criteria

- A graduate qualification in a field or discipline relevant to the area of investigation i.e. BSc, MSc, or PhD or other relevant qualification.
- At least 5 years' experience of providing high level administrative support in a healthcare, research or higher education setting.
- Ability to interact with stakeholders from a range of disciplines.
- Proven ability to work independently and as part of a team.
- Excellent attention to detail.
- Excellent report writing, presentation and organisational skills.
- Excellent communication skills, both written and spoken.
- Strong IT skills and experience using Microsoft Office, Microsoft SharePoint (or similar), finance and procurement systems.
- High level of initiative.
- Please note that Garda vetting and international police clearance check may form part of the selection process.

Candidates are requested to make a personal assessment of these criteria against their own qualifications, skills and abilities to assess whether they should apply for the post

Please note: Candidates who do not demonstrate that they meet the criteria as detailed above will not be short listed. The University, at its discretion, may undertake to make an additional appointment(s) from this competition following the conclusion of the process.

Conditions Of Employment

Salary: €45,000 per annum, (Personal Rate).

The rate of remuneration for all appointments may be adjusted from time to time in line with government policy.

Normal hours of duty are 39 hours per week with 60 minutes for lunch daily.

Annual Leave will be 25 days per annum. This leave is exclusive of public holidays and Good Friday. The leave year commences on 1 July annually and four days annual leave must be held for the Christmas closure period.

Sick Leave: Sick leave will be granted in line with university policy in this regard which may change from time to time. You should familiarise yourself with the University Sick Leave Policy and University Sick Leave Management Policy.

The tenure of the post is specific purpose whole time (for the duration of the award), based on the following provisions:

(a) A probationary period of six months shall apply from commencement of employment in the post during which the contract of employment may be terminated by either party in accordance with the Minimum Notice and Terms of Employment Acts, 1973 to 2001. The probationary period may be extended at the discretion of the University.

(b) Except in circumstances of gross misconduct justifying immediate dismissal, the appointee will receive one month's notice of termination of employment, or, if greater, such notice as is provided for in a minimum notice in terms of Employment Act, 1973.

(c) The appointee is required to give three months' notice of termination of employment.

(d) Under the Public Service Superannuation Act 2004, for all new entrants to the Public Sector on or after April 2004, the normal retirement age is 65. It is no longer possible therefore to retire before age 65.

Pension: The Public Service Pensions (Single Scheme and Other Provisions) Act 2012 established the Single Public Service Pension Scheme. In general, anyone taking up pensionable public service employment on or after 1 January 2013 is a member of the Single Scheme. The Act provides that most members of the Single Scheme have a minimum pension age consistent with the age of eligibility for the State Pension (Contributory) and a compulsory retirement age of 70. A member of this group is generally referred to as a "Single Scheme member". However, applicants who have previously worked in a pensionable post (non -Single Scheme terms) in the Irish Civil/Public service, may be offered membership of the UCC Pension scheme. The normal retirement date in this scheme is age 65. A compulsory retirement date of 70 may apply depending on date of first employment in the Irish Civil/Public service. The relevant pension scheme will be confirmed to the successful applicant on completion of the Pensions Declaration form prior to taking up employment.

Applicants that have previously availed of an Irish Public Service Scheme of Incentivised early retirement or enhanced redundancy payment should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. Queries should be directed to an applicant's former Civil/Public Service Employer in the first instance. Applicants who are in receipt of an ill-health pension from an Irish Civil/Public Service body are required to declare that they are in receipt of such a pension.

Pension Abatement: If an appointee has previously been employed in the Civil or Public Service and that appointee is entitled to or in receipt of a pension from the Civil or Public Service or where a Civil/Public Service pension comes into payment during the appointee's re-employment that pension will be subject to abatement in accordance with Section 52 of the Public Service Pensions (Single Scheme and other Provisions) Act 2012. Please note: In applying for this position, you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing Department/Office/Body will support an application or an abatement waiver in respect of appointments to this position.

Additional dependants' benefits can be provided by membership of the Supplementary Life Assurance Scheme. You will be automatically included as a member of the scheme on commencement of your employment but you may elect to opt out of the scheme at any stage. The current membership rate is 0.26% of your salary.

Membership of the Group Personal Accident Scheme shall apply to all employees, subject to individual acceptance by the Insurance Company. The salary quoted is subject to a deduction from salary at the rate of .06%

The UCC Income Continuance Plan (ICP) provides a source of income in the event of long or short-term temporary disability. As part of your contract of employment you will be automatically included in the ICP with effect from the same date provided you have not previously opted out of the plan or you have been declined for cover under previous contracts of employment with UCC. The cost of membership of the plan will be deducted from your salary. The current membership rate is 1.05% of your salary.

The Pay Related Social Insurance Class A1 rate of Pay Related Social Insurance (PRSI) applies to the post.

Voluntary Health Insurance: A VHI/Laya/ Aviva Health/ HSA/GloHealth group scheme is in operation and contribution may be deducted from salary, with effect from the Scheme's renewal date (May of each year).

Additional benefits: We offer progressive employment and training policies including opportunities for further studies. Staff can avail of membership of a variety of clubs and societies and a wide range of facilities on campus, including a leisure centre.

As an equal opportunity employer we offer a comprehensive suite of flexible working and family friendly initiatives. A list of such initiatives is available on our webpage.

An offer of appointment to a candidate who does not have EU nationality is subject to the granting of a Work Permit by the Department of Business, Enterprise & Innovation. The following is a list of employments in respect of which an employment permit shall not be granted

<https://dbei.gov.ie/en/What-We-Do/Workplace-and-Skills/Employment-Permits/Employment-Permit-Eligibility/Ineligible-Categories-of-Employment/>

Please note that if you are considering applying for this post you must be able to supply proof of the right to work in Ireland. If you do not have the right to work in Ireland you would need to obtain a work permit. We are obliged by European law to appoint people who are citizens of the European Economic Area (EEA) where possible. Where there is no skills shortage for a particular post, it is highly unlikely that a work permit would be granted.

Candidates are requested to make a personal assessment against their own eligibility as to whether they should apply for this post.

Certificates and Testimonials: These documents should not be sent with the application. Candidates who are selected for interview will be requested to submit the necessary documentation.

How To Apply

Applications must be submitted online via the University College Cork vacancy portal <https://ore.ucc.ie/> Queries relating to the online application process should be referred to recruitment@ucc.ie quoting the job-title.

Informal enquiries can be made in confidence to Dr Eoghan McKernan, INFANT Research Centre. Email: eoghan.mckernan@ucc.ie

For further information on the hiring unit, please see: [INFANT – A research centre focused entirely on pregnancy, birth and early childhood](#)

Candidates should apply, in confidence, **before 12noon (Irish Local Time) on Friday July 3rd, 2026**

Please be advised no late applications will be accepted.

Former Irish Public Service employees - Certain Restrictions on Eligibility.

Eligibility to apply for a position may be affected where applicants were formerly employed by an Irish Public Sector body and previously availed of an Irish Public Service Redundancy or Incentivised Retirement Scheme including:

- Collective Agreement: Redundancy Payments to Public Servants
- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Department of Environment, Community & Local Government (Circular Letter LG(P) 06/2013).

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. Any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Equal Opportunities Statement

University College Cork is committed to being a fully inclusive global university which actively recruits, supports and retains colleagues from all sectors of society. Equality, Diversity and Inclusion (EDI) are core values under our UCC Strategic Plan 2023-2028. UCC holds a Silver Athena SWAN award in recognition of our commitment to advancing equality in higher education. We value diversity as well as celebrate, support and thrive on the contributions of all our employees and the communities they represent. We are proud to be an equal opportunities employer and encourage applications from everybody, regardless of age, care-giving status, disability, ethnicity, gender and/or gender identity or expression status, nationality, marital status/civil partnership, pregnancy and maternity, race, religion/creed, and/or sexual orientation. We are committed to supporting all staff through flexible working schemes, family-friendly policies, training and development, and staff networks. We value the enrichment that comes from a diverse community and seek to promote equality, prevent discrimination and protect the human rights of each individual in line with equality legislation. We encourage applicants to consult our Dignity and Respect Policy and learn more about our EDI related initiatives.

University College Cork is an equal opportunities employer. We encourage you to reach out to us directly should you require assistance or reasonable accommodation during the recruitment.

UCC Graduate Attributes Programme

The Graduate Attributes Programme (GAP) is an integral part of our Connected University Strategy and is enabling the UCC community to write this chapter of our story, together. It is a transformative student-centric programme with the overarching objective of optimising the student journey and preparing our students to live, lead and learn in a shared, co-created future.

Further information on the UCC Graduate Attributes Programme can be found on:

<https://www.ucc.ie/en/graduateattributes/>

About Cork

Ireland's second city, proudly referred to by Corkonians as **'the Real Capital'** is a forward thinking, fast-growing and friendly city and an important business and cultural hub, making it a great place to live and work.

Home to **225,000 people**, Cork is a cosmopolitan city set against a backdrop of stunning coastline, countryside and picturesque coastal towns. It is easy to get around and **60% of people in Cork** get to work in **30 minutes or less**.

Located at the second largest natural harbour in the world Cork is the heartland of Ireland's energy, food, pharmaceutical and ICT industries. Seven out of ten of the world's top pharmaceutical companies and Ireland's top four food companies are located in the province. UCC graduates make a critical contribution to the local talent pipeline that is at the heart of innovation and competitiveness for the region.

Cork is the **fastest growing city in the country** and has been ranked as **one of Europe's top 25 cities of the future**.
